Subject: ICTS - S. N. Bhatt Memorial Excellence Fellowship Program 2017

To:

Dear All,

International Centre for Theoretical Sciences (ICTS-TIFR), Tata Institute of Fundamental Research, Bengaluru invites applications from academically bright and motivated students for the ICTS - S. N. Bhatt Memorial Excellence Fellowship Program in the summer of 2017. This program offers a unique opportunity to undergraduate/masters students of Science and Engineering to work with faculty and post-doctoral fellows of the Centre and to participate in research at the frontiers of knowledge.

### **Eligibility**

Undergraduate students of science, mathematics and engineering, who are in their third, fourth or fifth year of the program are eligible to apply. Exceptional undergraduates in their second year may also apply. Masters degree students and those who have completed their undergraduate are also welcome to apply.

### **How to apply**

Interested candidates should **apply online** with their CV and relevant details. The applicants also need to arrange at least two recommendation letters. Applications will be normally reviewed around February/March every year (deadline for application: 31 January 2017).

Please find the poster for this programme attached with this email.

We would greatly appreciate, if you could please share the above announcement with potential applicants and request you to display this on your organisation's notice board.

Best Regards,

The coordinator
